International College of Armed Forces visits Marshall Friday

Students attending the International College of Armed Forces will visit Marshall Friday. They will receive the Center overview and tour the Space Station Manufacturing and Assembly Facility, National Center for Advanced Manufacturing, Microgravity Development Laboratory and the West Test Area.

Congratulations to Marshall's X-37 team for the successful X-40A test at Dryden

Blood drive 8 a.m.-1:30 p.m. Friday, Bldg. 4752

Housing needed for Marshall summer research interns

Approximately 25 students in the Undergraduate Student Research Program will be at the Marshall Center for a 10-week period this summer. Each student will need a place to live and a ride to and from Marshall. If you have a room/space in your home to rent during this time frame, send an e-mail to Julie Mills. Include your name, the payment terms, conditions and/or preferences.

Redstone to host women's program Thursday

This year's theme for Women's History Month is "Celebrating Women of Courage and Vision." A Women's History Celebration will be held 2-4 p.m. Thursday in Bob Jones Auditorium at the Sparkman Center. Marian Guidry, program analyst with the Apache Project Office, will speak. For more information, call 876-8648.

Friday is last day to purchase tickets to March 22 retiree dinner from admin officers
